Background

A knowledge enriched Administrative Support System in any Institute is crux for its continued growth and development. For the long-term benefit of the Institute, the administrative staff is also required to be trained for adapting to change and for learning new methods of performing assigned functions. The sole objective of creating the account for the non-teaching staff, therefore, is their professional development for the benefit of the Institute.

Link to performance

Each year, a comprehensive assessment is conducted to evaluate the service contributions on different parameters of non-teaching staff members. The evaluation process entails a committee reviewing each staff member's performance, directly tied to their contributions. The corresponding PDA (Professional Development Account) amounts are determined as follows for each rating. The PDA amount is credited to the employees account every year in August.

Rating	% of PDA Amount
Greater than or equal to 4	100
3.6 – 3.9	90
3.1 – 3.5	80

The loan amount will be adjusted in future allotments or will be recovered from the salary, if he/she leaves.
- iii) Course Fees / Exam Fees of Degree / Diploma / Certificate Programs of duration more than one year, ensuring the office work timings are not affected. A prior approval and intimation to the HR department for joining a course/program, etc., has to be taken and a bond has to be signed for committing a minimum period of three years for serving the Institute after completion of the course. INDRAPRASTHA INSTITUTE OF INFORMATION TECHNOLOGY

RECRUITMENT AND PROMOTION RULES-2024
(for non-teaching staff)

Prelude

The Recruitment and Promotion Rules for non-teaching staff of Indraprastha Institute of Technology Delhi have been proposed keeping in mind its framework, as specified in its Act and Statutes and the broad structure of UGC model recruitment rules and Recruitment Rules of IITs/NITs , IIITs and similar Institutes of State Government of NCT of Delhi.

The need for the revision of Recruitment and Promotion Rules for staff

The need for the revision in the Recruitment and Promotion Rules for non-teaching staff of IIIT Delhi arose due to the following reasons:

1. A comprehensive exercise, in keeping with the current and future requirements of the Institute, was needed- periodic update and relaxation of norms from time to time does not present a systematic recruitment and promotion structure.
2. Positions were only distributed into administrative and engineering cadres which leads to promotional issues across divisions.
3. Numbers for each pay level and post were not fixed. This led to difficulty in implementation of reservation norms.
4. Too quick promotions have led to a top-heavy structure. Staff at senior levels much more than as per systematic recruitment structure.
5. Revised distribution and re-allocation done many times. This has disturbed the overall distribution of posts in different divisions.
6. Many junior positions have been moved to senior levels to accommodate staff which were due for promotions. This has led to compromised economic viability.
7. Reservation norms have been adopted recently. Reservation cannot be implemented on flexible numbers.
8. Pyramid structure of positions in each cadre was never adopted, leading to more senior staff and hence, disturbing the balance.
9. No policy for non-performing staff and staff with doubtful integrity.
10. No performance benchmark for progression.
11. Not well-defined recruitment and promotion process.
12. Terminology not domain specific and not in sync with other academic/research institutions.
13. No well-defined career progression path till superannuation. Some staff are getting promoted too fast, while others are stagnating at the same level.
14. Contract terms, terms of service and joining terms not clearly defined.
15. No financial upgradation for staff after successive intervals.
16. No detailed schedules for each post, which give details of requirements for educational qualifications, experience, pay level etc. details for each post.

Highlights of the new Recruitment and Promotion Rules

The highlights of the new the Recruitment and Promotion Rules are as below:

1. Consolidation of recruitment and promotion rules approved by the Board till date.
2. Provisions of Act and Statutes for appointment and service conditions of staff mentioned clearly.
3. Implementation of reservation at all levels.
4. Fixed number of positions at all levels in distinct cadres to facilitate formation of rosters.

5. Defined distinct cadres viz. General Admin, F&A and IRD Accounts, Estate Cadre, IT Cadre and Research Cadre.
6. Adoption of new titles which are domain specific and competitive.
7. Clearly defined Progression path presented in the form of flow diagram from lower to higher level is easy to understand and apply.
8. Defined qualifying service at each level.
9. Introduction of new pay levels to manage top & middle heavy structure and number.
10. Clearly defined compositions of Committees and selection methods.
11. Properly defined recruitment and selection process.
12. Well-defined joining, service conditions and contract terms.
13. Introduction of performance benchmark.
14. Mechanism of dealing with non-performing staff.

The one-time exceptions made are as follows:

1. All those staff at Junior levels, whose duration of promotion has increased under new rules and were due to get promoted in next three months, will be promoted as per current norms to the next level on the date when their promotion is due (up to 6th December, 2024, six months from the Board meeting)
2. Those currently in Level 11, who will be reaching Level 12 through non-functional upgradation, as their first promotion after implementation of new rules, will be given the designation by adding 'Senior' to the new designation.

PROPOSED REVISED CHILD CARE LEAVE (CCL) POLICY

The following are the guidelines governing the revised CCL Policy:

1. The Child Care Leave is granted to women employees and single males on contract at the Institute having minor children below the age of 18 years, for taking care of such children, whether for rearing or to look after any of their needs like examination, sickness etc. Child Care Leave shall not be admissible if the child is eighteen years of age or older. There is no age limit for disabled children with a minimum 40% disability.
2. The CCL cannot be demanded as a matter of right. Under no circumstances can any employee proceed on CCL without prior approval of the leave sanctioning authority. The leave will be sanctioned keeping in mind the requirements of the Institute.
3. The permissible duration of CCL shall be based on the contract spell as following:
 - I. Up to six months for faculty appointed on a contract term of 7 years.
 - II. Up to four months for staff appointed on a contract term of 5 years.
 - III. Up to two years for staff on contract till superannuation or tenured faculty.
4. There is no minimum duration of CCL. However, for the duration of the leave, the employee has to inform the arrangements made for carrying out the work responsibilities in her absence.
5. The CCL must be applied well in advance, except in case of medical exigencies. The application must be at least six months in advance for faculty and at least one month in advance for staff. The application must come with proper justification and supporting documents. Post application for leave, the applicant will help enable a smooth transition of their responsibilities to other faculty and staff colleagues.
6. CCL cannot be combined with maternity leave at the Institute. CCL can be applied at least six months after availing maternity leave.
7. If a tenured/superannuated applicant applies for CCL for a duration of six months or more, no subsequent request for grant of CCL shall be entertained before the expiry of six months of resuming back from the earlier sanctioned CCL.
8. At a time, maximum up to 5% of the total sanctioned strength of employees can go on long leave. The grant of CCL is subject to the availability as mentioned.
9. The nature of this leave was envisaged to be the same as that of Earned Leave. As in the case of Earned Leave, Saturdays, Sundays, and Gazetted holidays etc. falling during the period of leave would also count for CCL.
10. During the period of such leave, the employee shall be paid 100% of leave salary for the first 365 days of leave and 80% of leave salary for the next 365 days.

11. No adjustment against any other kind of leave shall be made in this regard.
12. Leave Travel Support (LTS) can be availed during Child Care Leave.
13. An employee cannot take any other job/assignment/consultancy during the period of the leave. The employee may attend conferences, workshops, or equivalent, as per current rules at the Institute.
14. In case the CCL duration is a full calendar month/s then no Transport Allowance (TA) shall be paid for such a calendar month/s.
15. Telephone/mobile/data card shall be reimbursed during the CCL period.
16. The applicability of CCL is also extended to single male parents.
17. The employee shall submit an “Undertaking” at the time of joining the Institute as per the annexure. The existing employees shall submit the “Undertaking” at the time of requesting for CCL as per the annexure.
18. The CCL leave account shall be maintained in the proforma enclosed and it will be kept along with the service book or filled in the personal file.
19. In case of any disagreement related to interpretation, the decision of the competent authority will be final.

Staff Professional Development Account (PDA) is a Board of Governors approved policy linked to professional development of staff.

Background

A knowledge enriched Administrative Support System in any organization is crux for its continued growth and development. For the long-term benefit of the Institute, the administrative staff is also required to be trained for adapting to change and for learning new methods of performing assigned functions. The sole objective of creating the account for the non-teaching staff, therefore, is their professional development for the benefit of the Institute.

Link to performance

Each year, a comprehensive assessment is conducted to evaluate the service contributions on different parameters of non-teaching staff members. The evaluation process entails a committee reviewing each staff member's performance, directly tied to their contributions. The corresponding PDA (Professional Development Account) amounts are determined as follows for each rating:

Rating	% of PDA Amount
Greater than or equal to 4	100%
3.6 - 3.9	90%
3.1 – 3.5	80%
2.5 – 3.0	70%
Less than 2.5	50%

Revised Staff PDA Limits

Senior Management	INR 62500
Middle Management & Junior Management (JM-2 & JM-3)	INR 43750
Junior Management (JM-1, Grade I, II & III)	INR 25000

Staff PDA Distribution

The Staff PDA amount is divided into two categories: Common Pool and Personal Pool, with PDA amount added in equal amounts every year to pre-existing amounts. The PDA amount will carry forward credits in the account, including the existing balance, for five years. The accumulated amount will be for the last four years plus the current year.

A. Common Pool for Professional Development (50% of the total PDA)

A common pool is created for professional development related expenditures for all the staff members. It will be 50% of the total PDA amount. This pool can be utilized for the following purposes:

1. To participate and attend any Training /Workshop recommended as part of appraisal process or by the division-in-charge/reporting officer.
2. To participate in various events aligned to the staff's career growth. The expenses to attend the event can include Travel (within Delhi-NCR/within India/Overseas), Registration Fees, Accommodation, Food, Visa Fees, Insurance, and other related expenses, if any, etc., as per the Rules. The amount can be utilized, once in three years for attending national event or once in five years for international event. If the amount to be utilized by the staff for national or international event is more than the staff's share in common pool, the additional amount will be given as a loan from the common pool. The loan amount will be adjusted in future allotments or will be recovered from the salary, if he/she leaves.
3. Course Fees / Exam Fees of Degree / Diploma / Certificate Programs of duration more than one year, ensuring the office work timings are not affected. A prior approval and intimation to the HR department for joining a course/program, etc., has to be taken and a bond has to be signed for committing a minimum period of three years for serving the organization after completion of the course. The certificate of completion must be submitted to the HR Department.
4. Article publishing charges in Journals, Conferences, and any other platform.
5. The Institute approved amount as per Board approval for mobile purchase, once every three years.
6. The release of amount from common pool based on appraisal rating will be subject to PDA Committee decision for weak performers.

B. Personal Pool for purchase of items related to professional development based on responsibilities (50% of the total PDA)

For this head, 50% of the total PDA will be utilized as follows -

1. Purchase/subscription of books and periodicals in any form related to professional development.
2. Membership fee/Registration fee (for Academic/ Administrative/ Professional Associations and Domain or Virtual Space).
3. Course fees for short courses/trainings, less than one year, for which no bond needs to be signed.
4. PDA amount can be utilized up to matching grant as per the benefits to cover the amount required to purchase a laptop over and above the board approved limit.
5. PDA amount can be utilized up to the matching grant as per the benefits to procure a

- mobile phone over and above the board approved limit.
6. Upgrade/repair of laptop/mobile phone and accessories on actual cost.
 7. Any consumable or non-consumable items related to professional requirements of the staff for the ultimate benefit of the Institute, as approved by the division-in-charge can be purchased with proper justification for the same. The decision of the division-in-charge shall be final and binding.

Any other professional activity or relaxation of the above, with prior approval of the division-in-charge.

Guidelines

1. A Staff PDA Committee will be formed to take periodic decisions on cases that need attention. The Committee may meet once a month or as required.
2. For Fixed Assets, the Institute's Board-approved WDV policy is applicable.
3. All assets (except consumables) in case of loss/damage/theft can be purchased again after paying the depreciated value of the previous item, subject to submission of the off-line/on-line Police FIR copy (only in case of loss or theft).
4. The Staff PDA is updated via the PDA Portal. The employees can check the balance amount at any time before making a request.
5. The employee may submit bills of the purchase to the Store & Purchase Division directly.
6. PDA can be availed only after the Probation clearance.
7. Books may, preferably, be purchased through the Institute Library for quick purchase and better discounts.
8. In case of non-utilization of PDA, the remaining amount shall be carried forward up to 5 years. There will be no encashment of PDA at the time of leaving the Institute.
9. Matters of interpretation will be referred to the PDA Committee.
10. The policy will be reviewed after three years, if required.

Consolidated Guidelines for Rotational Transfer Policy for Administrative Staff at IIIT-D

Introduction

The Board of Governors, in its 63rd meeting, held on November 28, 2023, approved the rotational transfer policy of the Institute, on similar lines as other autonomous institutes like IITs, IIMs, etc.. There are consolidated guidelines on Rotational Transfer Policy, notified by the DoPT vide its OM No. 21/19/2022-CS. I(P) dated November 02, 2023. The Rotational Transfer Policy is designed to enhance the skills set, broaden the experience and foster a collaborative work environment among administrative employees. The policy will provide eligible employees with the opportunity to work in different divisions/departments within the Institute, promoting cross-functional knowledge transfer and skill development.

Chief Vigilance Commission, New Delhi Letter No.004/VGL/090/225553 dated September 11, 2013, has observed that rotational transfers are not effected in many organizations due to which officials continue to remain in the same posts for long periods. Such, overstay and continues posting afford scope for laxity, lack of motivation, indulging in corrupt activities, developing vested interests etc. which may not be in the interest of the Institute. The Commission, therefore, emphasized that periodical rotation of officials needs to be ensured.

Benefits of the policy

- Aligning with Institute's commitment to fostering a dynamic and learning oriented work environment
- Exposure to various administrative roles and responsibilities
- Enhanced professional development opportunities
- Broadening of skills and competencies
- Strengthening of interdepartmental collaboration.

Objective of the policy

- To enhance the efficiency and smooth running of the Institute
- To have planned movement between divisions
- To meet operational and administrative requirements
- Overall development of the various skills in the staff
- To prepare staff to handle multiple tasks in different administrative divisions
- To increase the knowledge of staff regarding functioning of different divisions
- To prepare staff for being multifaceted and having varied skills
- To remove redundancy and complacency that sets in because of being in the same seat for prolonged period.

Transfer Conditions

- After completing specified tenure of service in a division/department or on promotion in the order of their seniority in the Pay Level/ Department/ keeping in view the vacancies, past experience, seniority and specialized skills developed/training done.
- In cases where continuation of the staff on a particular seat is considered detrimental to the interests of the Institute, she/he may be transferred.
- If the skill set of a staff is more suited to another division, the transfer may be affected.
- In either of the mentioned situations: Misuse of the position, double checks, favouritism, lapses, leakage of confidential information, cases of slurring the image of the Institute, etc.
- Where the competent authority is satisfied that such transfer is desirable in the interest of the Institute.
- If the exigency of the service so requires.

- If request for mutual transfer is received.
- If staff has sufficient reason to request for transfer, subject to the day-to-day work of the division not being hampered.

Tenure eligibility for transfer

The tenure after which staff becomes eligible for the transfer is as below:

(i) JM (All Grades)/AM -	7 years
(ii) Deputy Manager-	6 years
(iii) Manager and Above-	5 Years

The following conditions may be kept in mind while planning for transfers:

1. Transfers may be planned at a particular time of the year
2. The staff due for superannuation within two years may be exempted from being transferred.
3. Prior consent of the Head of the Division/Department concerned will be necessary.
4. Staff working at sensitive workplaces as determined by the Competent Authority may be transferred before the prescribed tenure, if circumstances so demand.
5. The decision of transfer will be based on combination of skills, performance and potential contribution to the Institute by the Competent Authority, on receiving any request.
6. Promotion may be made against available vacancies. Preferences for posting on promotion, if allowed, shall be accommodated as far as possible within the available vacancies and in order of seniority.
7. Once transfer orders are issued, staff shall be relieved within the specified period.
8. The transfer may be applicable at all the levels of the Institute except statutory posts.
9. The Director of the Institute has to approve or reject transfer of any staff, keeping the Institute interest in mind.
10. The staff against whom disciplinary action is either contemplated or pending will not be transferred to sensitive work place.
11. Transfer cannot be claimed as a matter of right.
12. The decision of the Director/competent authority will be final in such matters.
